Based on the average of the 7 evaluations submitted - 1 to 5 with 5 being the highest possible rating.

Quality / quantity of information presented: -----	<b>4.71 out of 5 = 94.3 %</b>
Manner in which the information was presented: -----	<b>4.71 out of 5 = 94.3 %</b>
Usefulness of this information to your needs: -----	<b>4.71 out of 5 = 94.3 %</b>
Degree to which this presentation met expectations: -----	<b>4.86 out of 5 = 97.1 %</b>

By way of evaluation, participants were encouraged to finish the following open-ended sentence:

***"I would say this training...***

*...was very worthwhile and I would readily go to another of your presentations.*

The 2 card set, front and back, of Board Training summary points, plus the laminated pointers on Listening Skills and Self Improvement steps were dispersed to attendees. Below is a facsimile, front & back, of the "license" summary card issued to each participant:

[There was only one evaluator who responded to the open-ended sentence opportunity.]

**Training aspects you felt were MOST helpful:**

~ The skills and the knowledge ~ Blind Spot awareness ~ Always improve ~ shut up ~ The entire presentation was great – I do not want to add or subtract from any of it ~

**Training aspects you felt were LEAST helpful:**

~ None ~ N/A ~
