Card on the
TADPOLE
PRINCIPLE

The Tadpole Principle:

“We’re meant to change... and the most important changes are on the INSIDE!” ~ R.C. Frazier © 2018

1) We are the **TADPOLES** = **PURPOSE**
Life has a **PURPOSE**. You WILL change on the outside. You must **WANT** to change on the inside. **Do you?**

2) We’re on the **TURNROWS** = **PLAN**
You need a **PLAN**. You have **COUNTLESS** opportunities to make small adjustments every day. **Do you?** “We instinctively steer toward that at which we stare.” ~ R.C. Frazier

3) We all need **“TURN UPS?”** = **POWER**
There is a **POWER**. You get to choose every day if you’ll be a **Thermometer...** or a **Thermostat**. **Do You?**

~ TURN UP YOUR ~
POWER OF PURPOSE
Have you written your goals, values and affirmations? How many times? “Success means doing three things every day you don’t want to do, and that the average person will not do.” ~ R.C. Frazier
LIFE HAS A PURPOSE!

~ TURN UP YOUR ~
CONCEPT of the COSMOS
PREDICTABILITY is why our Universe is called “COSMOS” and not “CHAOS”. The Hubble Ultra-Deep Field image contains 10,000 Galaxies, each Galaxy containing 100 billion Stars. It is said this image fits inside the “D” on a penny held at arms length. **EVEN THERE... we witness predictability and order. PREDICTABILITY makes it possible to make a plan!**
YOU NEED A PLAN!

~ TURN UP YOUR ~
LEGACY OF LOVE
Nothing in the world is more powerful than LOVE. If there are people in your life you love, tell them today. Don’t text them, **TELL** them. Then demonstrate your love before it’s too late! **THERE IS A POWER**
