Degree to which this presentation met expectations:	4.86	out of 5	= 97.1 %

	1	2	3	4	5	
Qual./Quant. of Info. Presented				x	xxxxxx	Averaged rating = 97 %
Manner in which it was Presented				X	xxxxxx	Averaged rating = 97 %
Usefulness of this information				xx	xxxxx	Averaged rating = 94 %
Degree expectations were met				X	xxxxxx	Averaged rating = 97 %

By way of evaluation, Participants were

"I would say this training...

- ...was inspirational & challenging
- ...was inspiring & helpful
- ...Was eye-opening to me & will be very useful in managing people
- ...was a good experience. It reinforced some existing knowledge while adding on new components
- ...will come in handy in the future and I am glad to have had the opportunity to participate!
- ...really made me think about how I can improve myself.

Participants received an 18-page workbook / study guide containing examples, illustrations, quotes, references, and recommended reading list; two small, laminated "Summary Cards," (one as their "license" with Mindmap); a Behavior modification card; along with their "Goals, Values & Affirmations" notebook & pen.

Participant responses to: "The training that was MOST helpful"

- > Real life stories & examples
- > Listening
- > Listening Quiz
- Allowing a personal reevaluation of what to work on to be a successful leader
- > Evaluating ourselves
- > Learning to listen and name recognition
- > All
