Facsimiles of Summary Card for the TADPOLE PRINCIPLE

The Tadpole Principle:

“We’re meant to change... and the most important changes are on the INSIDE!” ~ R.C. Frazier © 2018

1) We are the **TADPOLES** = Life has a **PURPOSE**
You WILL change on the outside. You can CHOOSE how you’ll change inside. Do you?

2) We’re on the **TURNROWS** = You need a **PLAN**
You have COUNTLESS opportunities to make small adjustments every day. Do you? “We instinctively steer toward that at which we stare.” ~ R.C. Frazier

3) We all need **“TURNIPS?”** = There is a **POWER**
You get to choose every day if you’ll be a Thermometer... or a Thermostat. Do you?

“TURN UP YOUR”
POWER of PURPOSE
Have you written your goals, values and affirmations? How many times?
“Success means doing three things every day you don’t want to do, and that the average person will not do.” ~ R.C. Frazier
LIFE HAS A PURPOSE!

“TURN UP YOUR”
CONCEPT of the COSMOS
PREDICTABILITY makes planning possible. 1/13 millionth Rules and order shape the Cosmos.
CHAOS exists but COSMOS persists!
Hubble Ultra-Deep Field Image = 10,000 Galaxies / 1 Galaxy = +/- 100 billion Stars. It fits inside the “O” on a penny held at arms length!
Even there, PREDICTABILITY makes planning possible.
YOU NEED A PLAN!

“TURN UP YOUR”
LEGACY of LOVE
Nothing in the world is more powerful than LOVE. If there are people in your life you love, tell them today. Don’t text them, TELL them. Then demonstrate your love before it’s too late! **THERE IS A POWER!**
